SAPONIFIER,
OR
CONCENTRATED LYE,
THE READY FAMILY
SOAP MAKER.

An indispensable article in every family, where-
combined with the Saponifier, they can make all
the soap they use—hard, soft, or fancy. It will
make hard water soft, and will clean Turkey per-
fection—nothing equals it for cleaning and scouring.

Put up in 40-lb. boxes of 1 lb. each, which
will make, with 4 to 5 lbs. common grease,
from 15 to 25 gallons elegant soft
soap, or 8 to 10 lbs. hard.

It has now been several years since this invalu-
able article was first introduced to the Public,
and the estimation in which it is held, wherever
known and tried, and the immense demand for it
from all quarters, are conclusive proofs of its
real merits and value as a family article.

Beware of Imitations!
The success of our article, like that of all dis-
coveries of true merit and value, has induced un-
principled parties to imitate it. We therefore
caution the public against worthless counterfeits,
and to take none but the genuine, original and
patented article, manufactured only by the

Pennsylvania Salt Manufacturing Company,
of East Tazewell, Allegheny Co., Pa. Office and
Depot, No. 396 Penn St., above the Canal bridge,
Pittsburgh Penn'a. Who also manufacture of
standard quality.

der, Soda Ash, Copperas, Muriatic Acid, Refined

avoiding leaving them at the death to grope their
way in helpless poverty through an uncharitable
world; and equally apparent is the duty of every
husband to provide, in case of his death, for the
surviving widow. To effect all which Life In-

every husband and parent, by the payment of a
small sum, either annually or quarterly, to pro-

Mr. Bell in 1858—The Lecompton Con-

stitution.
In the speech made by Mr. Bell in the
Senate, on the 18th of March, 1858, on the
Lecompton Constitution bill, there occur
the following passages:

Issues between the North and the South—es-
timating the value of the Union.

"It is more than indicated—it is boldly
assumed by some gentlemen that the rejection
of this measure will be regarded as a
decision that no more slave States are to be
admitted into the Union, and the conse-

quences which may follow such a decision
are pointed to in no equivocal language.—
There is no gentleman here with whom I
differ as to the value of the union of these
States, to whom I do not accord honesty
and patriotism of purpose. There is sim-
ply between us a difference in judgment as
to the true interest of this great country;

the true interest of the South as well as the
North, connected with the Union. When
my attention is invited to the consideration
of the advantages and blessings that may
follow disunion to the South, I shun the
subject as one that is speculative only, and
prematurely brought forward
